জাতিসংঘ উন্নয়ন কর্মসূচী

28 March 2024

Dear Mr. Rahman,

I am writing to express my profound appreciation for the invaluable support and guidance you provided during the visit of Her Royal Highness Crown Princess Victoria of Sweden to the Cox's Bazar and Bhasan Char refugee camps on the 20th of March 2024, in her distinguished capacity as UNDP Goodwill Ambassador. Your dedication was evident throughout our journey, and your insights enhanced our understanding of the local context and the multifaceted dynamics surrounding the Rohingya crisis in Bangladesh.

Furthermore, I am pleased to convey that the entire delegation, including Mr. Johan Forssell, Minister for International Development Cooperation and Foreign Trade of Sweden, Ms. Ulrika Mod er, United Nations Assistant Secretary-General and Director of the Bureau of External Relations and Advocacy of United Nations Development Programme (UNDP), along with their respective teams, expressed their admiration and appreciation for the collaboration between the Government of Bangladesh and the United Nations in addressing this challenging situation.

Please extend our appreciation to everyone involved in making this visit a memorable and impactful one.

As we move forward, I am hopeful that we can further strengthen our partnership, which is pivotal for deepening our collective understanding and rallying greater international support for both the Rohingya refugees and the local host communities. I reaffirm UNDP's commitment to working closely with the Government of Bangladesh in addressing the ongoing challenges of this protracted crisis.

Please accept, Mr. Rahman, the assurance of my highest consideration.

Yours sincerely,

Stefan Liller
